**ORDER ADOPTING REPORT AND RECOMMENDATION**

On 7/24/2023 Judge Jensen recommended that this Court grant the plaintiff's motion for a default judgment and enter judgment in the amount of \$13,899.59. Dkt. 24. According to the recommendation, the defendant's co-owner and managing member was served on 4/17/2023, but the defendant never appeared. The Clerk entered an order of default on 6/26/2023. Dkt. 17. Notice of the proceedings, the motion for a default judgment, and the entry of Judge Jensen's recommendation were provided to the defendant, but to date the defendant has not objected. The motion for a default judgment attaches documents including a certification and an affidavit substantiating the damages including attorneys' fees sought which Judge Jensen determined were reasonable. In the absence of any objection, the Court accepts Judge Jensen's recommendation [24], grants the motion for a default judgment [19]. The judgment will enter separately. Civil case terminated.
